Dress Code

All students were informed to wear moot court dress on every Monday from August to end of February (every year) by Information Circular published on 28 July 2010.

It was nice to see all students in uniform look on 2 August 2010. Your cooperation is appreciated. Few students were not in moot court dress.

For proper compliance of the dress code it is to inform you that any student found without moot court dress on Monday during the given period his/her attendance will not be counted for the same day.
