## INFORMATION CIRCULAR GNLU/IC/53/11

### Dress Code

All students are required to wear moot court dress (with/without blazer) at the Academic Premises every Monday for the whole year.

Previously it was announced only for August to February but considering that a dress code gives a standard for academic appearance it is extended for the whole year.

Students, faculty and staff shall ensure to wear formal dress, preferably moot court dress for students, while visiting public officials, dignitaries, institutions, such as judiciary, government departments, etc.

The dress code shall be strictly observed during any public function organised by the GNLU, such as seminars, workshops, etc.

It should be noted that students will be marked absent if found without dress code on the above mentioned occasions/days.

Your kind cooperation is solicited in this matter.
