Subject: Warm Congratulations to GNLU students, for success in foreign language courses

It is heartening to know that 24 GNLU students and one faculty member successfully completed foreign language exams. I am sure it will contribute greatly in the development of your careers and all their future prospects.

It is said learning a language is equal to living a new life. May you lead many rich and fulfilling lives!

We hope their learning shall also enrich the university in many ways. We also hope that they will enroll for the next level of proficiency. The list is attached herewith who have passed the foreign language course.

Warm Congratulations once again.
