Subject: Launch of GIMC-2011

The 2nd GNLU International Moot Court Competition was a great success. Thirty-four (34) teams participated in the event, comprising of not only distinguished institutions in the Indian sub-continent, but also off-shore teams from, Pakistan, Nepal and Bangladesh. We also had teams participating from Hungry University and George Washington University. Teams from all participating colleges, judges for the event and all other dignitaries present in course of the competition have been deeply appreciative towards this endeavor.

In furtherance of this endeavor, it gives me great pleasure to announce the launch of the 3rd edition of the GNLU International Moot Court Competition which is planned to take place from 9-13 February 2011.

On behalf of GNLU, I wish GIMC 2011 all the success.
